SKILLS & SUMMARY

I am a recent Bachelor of Science in Information Technology graduate with practical experience in web development and data entry. My internship and capstone projects exposed me to real-world system development, database management, and collaborative problem-solving. By actively utilizing modern frameworks like Tailwind CSS, I have strengthened my technical readiness and coding habits. My hands-on experiences and willingness to learn equip me to contribute effectively to a professional IT team.

TECHNICAL COMPETENCIES

- **Languages:** C#, PHP, JavaScript, SQL, HTML/CSS
 - **Frameworks & Libraries:** Laravel, Entity Framework Core, Blazor, Tailwind CSS, jQuery, AJAX, Bootstrap 5
 - **Tools:** GitHub, MySQL, MySQLi, XAMPP, Microsoft SQL Server
